MD's Christmas - New Year message

Dear friends and Colleagues in Supplyco

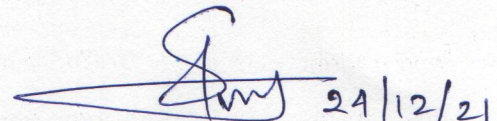

With full of hopes and pleasure, yet another New Year is coming up. It's time to dump all the painful memories way behind and move on with confidence and determination to face the challenges on the way ahead. Climate change, the persistent threat of the pandemic etc. are the new realities we are sure to face at the dawn of the New Year too.

So, let us rededicate ourselves towards the causes we work for, and adopt a new course of action as time demands. Change is inevitable, and the power that leads us to success is our mindset to accept changes, shedding all our prejudices. Let us join hands to conquer new heights and take Supplyco to each and every home in the State and to the minds of the people all over Kerala.

May the upcoming year be a year of innovative thoughts and hectic activities with heartfelt love; I wish you all a Merry Christmas and a happy New Year

With best regards and warm wishes
Yours Sincerely

Kochi,
24.12.2021
